

G P CARS PRIVACY POLICY MAY 26TH, 2018

We hold your company name (Where Applicable), address, contact names, telephone numbers on file.

GP CARS use these details to send invoices only and to contact you directly to confirm bookings from time to time.

In order for you to feel confident about how we handle and store data we want to inform you your details are not passed on to any third parties. Your information is stored on password protected computers and is backed up on a regular basis.

If you don't agree with any parts of this Policy or would like to discuss further, please contact us on 01420 475747
